#### NEWS

##### Blanchard International Ireland Expands

Blanchard International Ireland are expanding their range of Leadership & Management development training services in Ireland this year. Ireland is of course experiencing a downturn in the local economy which concerns many.

At no point in the last decade in Ireland, has it been so crucial to develop our leaders. With over 25 years in the Leadership development market internationally, Blanchard are uniquely positioned to facilitate for our customers, the best leadership solutions with the greatest impact on their business and their leaders.

We look forward to welcome you at any of our no charge events, or our programmes. o ask of the U.S. candidates.
